# Ignite the Power of Your Tefillah...

In Just  
5 Minutes  
A Day!

**T**efillah is the most miraculous power a person has, and yet, **most of us use only a fraction of its potential.** Through the gift of *tefillah*, Hashem places in our hands the key to the Heavenly storehouse of *brochah*, and gives us the precise words that can release these treasures into our lives. And what treasures they are...our health, our ability to find a spouse and build a Jewish home, our success in raising our children, our safety, security, livelihood, spirituality. Everything!

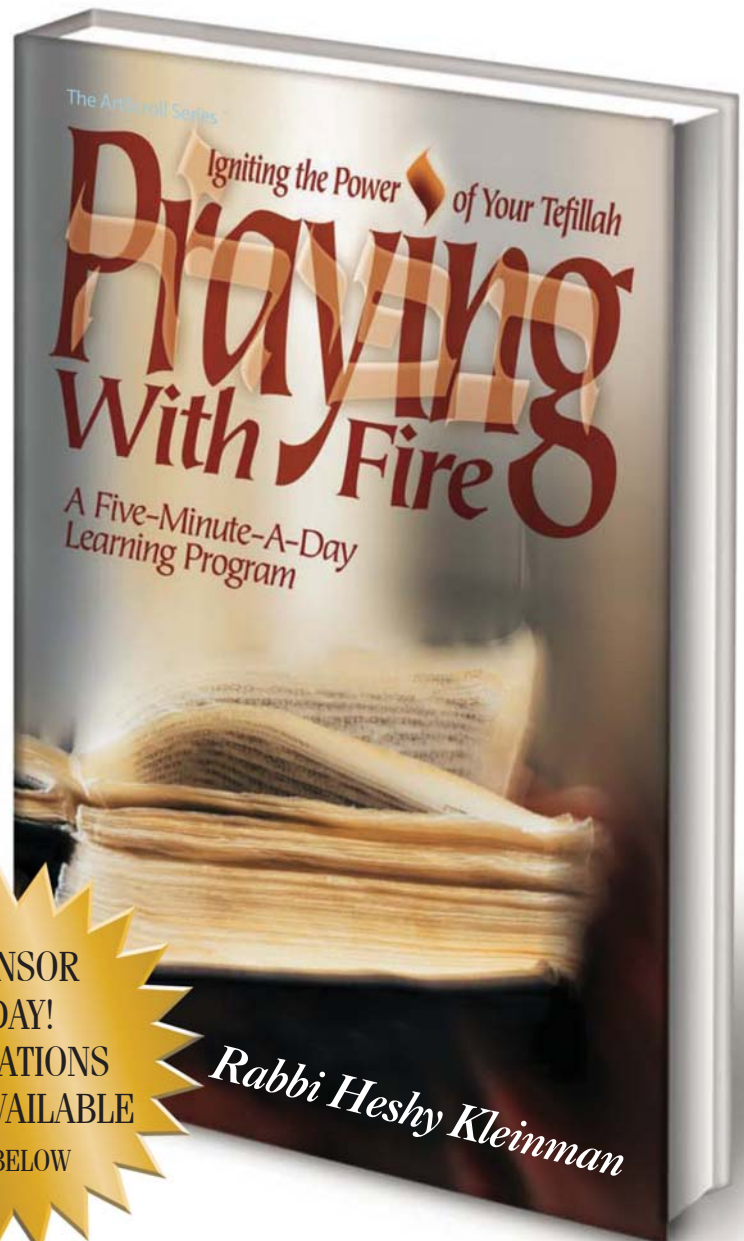

“Praying With Fire” is written by Rabbi Heshy Kleinman, who has researched, taught and spoken on the topic of tefillah for many years, and now brings his passion and knowledge of this vital subject to the printed page. His sefer is a brilliant combination of in-depth scholarship and pure inspiration, all in an easy-to-use daily learning format. Day by day, step by step, **you will find your tefillah becoming stronger, more meaningful and more effective.**

*“This sefer is vitally necessary in these times of trouble”.*

RAV MATSYAHOU SALOMON, SHLIT”A  
MASHGACH, BEIS MEDRASH GOVOHA

*“The sefer...contains a breathtaking wealth of information on davening, written in a style which is inviting to the layman and informative to the scholar. It is your first step towards a better avodah b’lev, and a stronger case for your bakoshas tzrochim.”*
