

1. To log in, tap on the *vEMR Mobile* icon as shown above. On iPhones the icon resembles the screen below.

2. Type your *VISUAL EMR* user ID.
3. Type your *VISUAL EMR* password.
4. Tap 'Login'.

5. The name of the nursing home and your name (the doctor's) appear at the top.

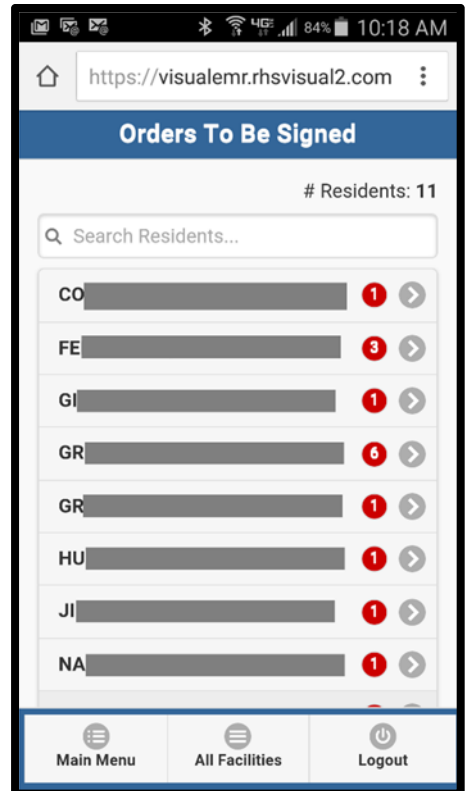

6. Do any of the following:
View a resident's **profile**, their **orders** or **notes**. **Sign** open orders, or view the **Provider Panel**.

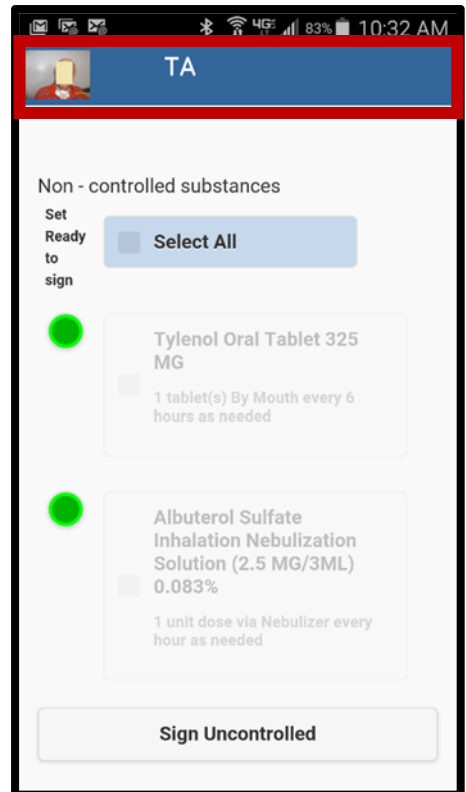

1. If you service multiple facilities tap 'All Facilities' to choose
2. When you are done tap 'Logout'.

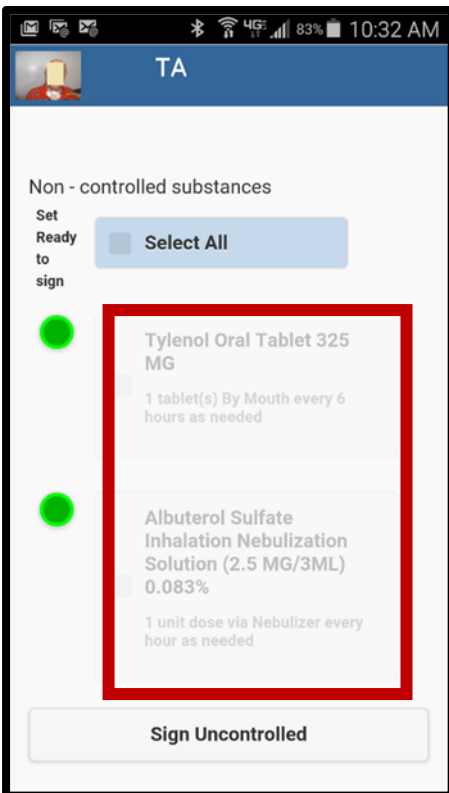

3. Notice the number of orders waiting to be signed. Tap 'Sign'.

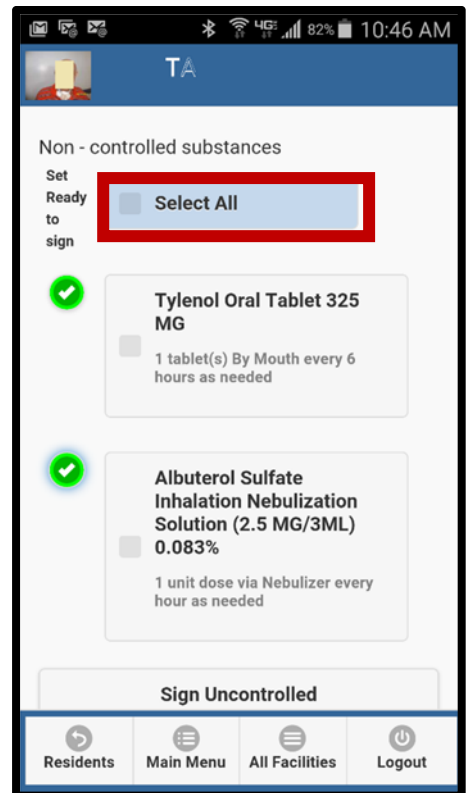

4. For each resident you see the number of orders to be signed.
5. Use search box to locate resident.
6. Tap on the resident to sign their orders.

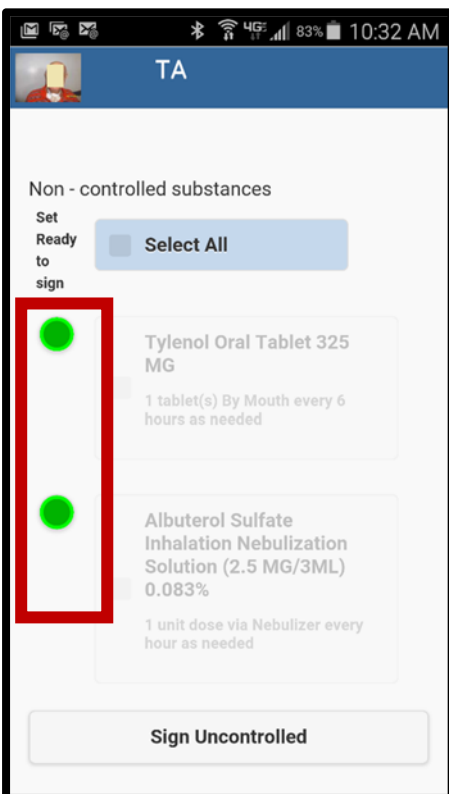

7. The resident's picture and name appear on top.

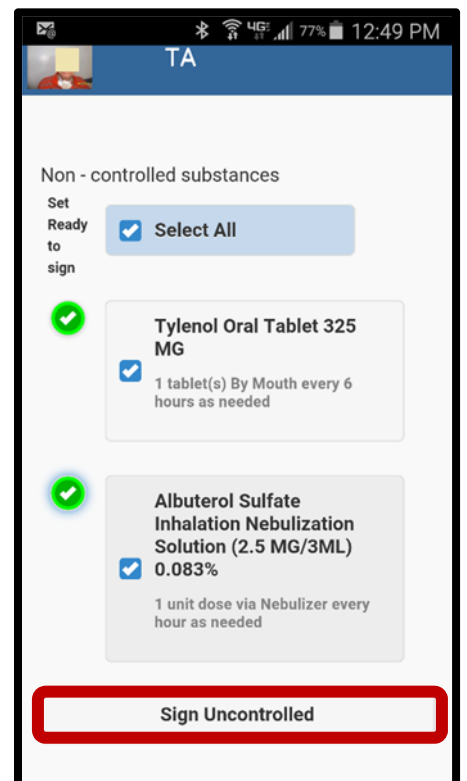

1. The resident's orders waiting to be signed appear in the middle.

3. Tap 'Select All'.

2. Tap on the green circle alongside the orders you wish to approve.

4. Notice each order has 2 checkmarks.

5. Tap 'Sign Uncontrolled'.
